3. **Request for Temporary Parking at Sixth and Jackson Street Property (A) – Cody Riddle**

The City of Moscow has requested approval to use the Agency's property, on the southwest corner of Sixth and Jackson Streets, for approximately 60 days of public parking. The temporary use will mitigate impacts associated with a sewer line replacement project in the alley west of Main Street, between Sixth and Fourth Streets. This project will intermittently limit access to the public parking lot on Jackson Street. With the Agency's approval, the City would stripe, maintain, and enforce parking standards on the Sixth and Jackson Street property for 60 days.

**ACTION:** Approve the request to allow temporary parking, deny the request to allow temporary parking, or take other action as deemed appropriate.
4. **Legacy Crossing Update**

Property owners adjacent to the Agency's Sixth and Jackson Street property and representatives of the University of Idaho will provide the Board with an update on their planning efforts for Legacy Crossing. This could include potential plans for expansion onto the Agency's property should the opportunity become available with a formal Request for Proposal (RFP) process.
